

Work Party Planned

A work party is being planned for the rifle/pistol range facility for Thursday October 21, 2021

Proposed Projects:

1. Remove weeds from pistol range.
2. Replace target holder timbers on west pistol 25 yard line
3. Install target holder brackets on 25 yard line and east pistol
4. Move shooting table into place at east pistol
5. Clean up south end of east pistol berm
6. If equipment available – pull tree stumps, grade dirt at south end of earth ramp to rifle range. Pull stump and grade west parking area
7. Modify timbers in parking area to encourage angle parking

Needed:

1. Lots of volunteers, with gloves.
2. A couple of wheelbarrows to move weeds to specified location.
3. Yard rakes to corral weeds.
4. Portable power tools to remove and reinstall brackets – want a variety of driver tips for screws
5. Need at least one tractor or motor equipment with forks to aid in moving the railroad ties to replace the shot up bases, and bucket to move the destroyed pieces.

Time and Date: October 21, 2021 at 9:00 AM

Bring lots of liquids and come dressed for whatever the weather is at the time.
